- 3) **Saddle Type:** Refers to breeds that traditionally have roots that can be traced to or are similar to the American Saddle Horse. Horses in this category are typically smaller boned with more refined builds than stock horses characterized by their smooth, lively gaits and stamina.

- 5) **Hunt Seat:** The purpose of the hunter under saddle horse is to present a horse with a bright, alert expression, whose gaits show potential of being a working hunter. Its gait must be free-flowing, ground covering and athletic and should move with long, low strides reaching forward with ease and smoothness. The quality of the movement and the consistency of the gaits is a major consideration. Horses should be obedient, have a bright expression and should be responsive. The poll should be even with or slightly above the wither.

After trotting, horses will be lined up head to tail at the direction of the ring steward for individual inspection by the judge. The judge shall inspect each horse.

This horse should be relaxed, quiet, soft and cadenced at all gaits. The horse should be ridden on a relatively loose rein with light contact and without requiring undue restraint. Excessively long floppy reins will not be given extra credit. The horse should be responsive to the rider and make all required transitions smoothly, timely, and correctly. The horse should be soft in the bridle and yield to contact.
- b) The ARHA and AQHA rulebook will be used as a guideline while judging working western classes.

- f) Ranch Riding:
 - i) The purpose of the Ranch Riding horse should reflect the versatility, attitude, and movement of a working horse. This class should show the horse’s ability to work at a forward, working speed while under control by the rider. Light contact should be rewarded and horse shall not be shown on a full drape of reins. The overall manners and responsiveness of the horse while performing the maneuver requirements and the horse’s quality of movement are the primary considerations.
 - ii) Riders in Ranch Riding will be required to perform a prescribed pattern, which will be judged and scored based on AQHA Ranch Riding rules.

5) Western Pleasure (AQHA Rules)

- a) A good pleasure horse has a free-flowing stride of reasonable length in keeping with his conformation. He should cover a reasonable amount of ground with little effort. Ideally, he should have a balanced, flowing motion, while exhibiting correct gaits that are of the proper cadence. He should be shown on a reasonably loose rein, but with light contact and control. Maximum credit should be given to the flowing, balanced and willing horse that gives the appearance of being fit and a pleasure to ride.
- b) The AQHA rulebook will be used as a guideline while judging western pleasure classes.
- c) Unless otherwise denoted by “GAYP” or “W/J,” horses will be required to walk, jog, and lope. Exhibitors may be asked to back at the judge’s discretion.

Horse / rider combos competing in the Working Western Division may also show in the Horsemanship classes and horse / rider combos competing in the Western Pleasure Division may also show in the Ranch Riding classes.
- e) Horsemanship

 - ii) Riders in horsemanship will be required to perform a prescribed pattern and show at the walk, jog and lope (some classes) on the rail. Riders may be asked to drop stirrups, extend the jog, or back at the judge’s discretion.

6) Suitability for Dressage (USDF Guidelines / USEF Rules)

- a) The ideal dressage horse should display freedom and regularity of the gaits; harmony, lightness and ease of the movements; lightness of the forehand and engagement of the hindquarters, originating from a lively impulsion; and the acceptance of the bit, with submissiveness without any tension or resistance.
- b) Consult the USEF rulebook for appropriate Bridle and Equipment requirements. Exhibitors may show in any **English type or Western type saddle** with stirrups, saddle may be constructed with or without a tree.
- c) USDF guidelines will be used while evaluating horse's carriage and way of going.

- c) The highest trail score from *Trail: W/J/L – Riders 13 & Under*, *Trail: W/J/L – Riders 14-18*, and *Trail: W/J/L – Riders 19 & Over* will be awarded the "Highest Scored Trail Run Award." Scores from *Trail: W/J – Open* will not be eligible for this award.

8) Field Hunter (USEF Rules)

- a) Cross entering a horse / rider combo between the Field Hunter Division and Huntseat Division will not be allowed
- b) Horses in Field Hunter should be representative of the type of horse used in the hunt field. They should possess manners, style, pace, and quality. The working hunter must be able to demonstrate his ability to furnish the rider with a smooth comfortable and safe ride. The Field Hunter Division is for USEF style horses and riders.
- c) Horses may be required to extend gaits and/or back at the discretion of the judge.
- d) Equitation classes judge the ability of the rider on the flat. Credit will be awarded for correctness of riding posture and personal appearance of horse and rider. Riders may be required to walk, trot, and canter (in some classes) both directions of the ring. Riders may be asked to drop stirrups, two point, sit or extend the trot, hand gallop, or back at the judge's discretion. NO PATTERN WORK.
- e) **Bride Path Hack Class:** Horses will be judged on their ability to give a pleasurable ride, manners, performance, and suitability to purpose. Emphasis will be placed on ability to give a pleasurable ride and manners. Horses enter the ring at a trot and are shown on the flat at a walk, trot, or canter on a reasonably loose rein without loss of contact with the horse's mouth. Horses must work both ways of the ring at all gaits to demonstrate their ability with different leads. Horses may be required to go from one gait to another gait or extend any gait at the judge's discretion. The judge may ask finalists to hand gallop, but never more than a safe number of horses should gallop at one time (a suggested maximum of eight). Horses will be required to back easily and stand quietly.

9) Over Fences (USEF Rules)

- a) Horses in the Hunter Over Fences should be representative of the type of horse used in the hunt field. They should possess manners, jumping ability, style, pace and quality. The working hunter must be able to demonstrate his ability to furnish the rider with a smooth, comfortable, and safe ride.
- b) Equitation Over Fences evaluates the exhibitor's correctness and ability over fences. This class should be judged on the precision of riding ability while executing the jumps. The class objective is to judge the rider's ability over the fences, not the horse's. Only the effect the rider has on a horse is to be considered. How a rider elects to ride the course, the pace and approach to the jumps are used to evaluate the rider's judgment and ability.
- c) Exhibitors may be excused at any point during their round if the judge feels the exhibitor is unsafe.
- d) Horse and Rider combinations may only enter a maximum of three over fences classes per day.
- e) All horses will complete a course of seven to twelve jumps at the prescribed height.
- f) Hunter Hack
 - i) The purpose of hunter hack is to give horses and opportunity to show their expertise over low fences and on the flat. The hunter hack horse should move in the same style as a Field Hunter. The class will be judged on style over fences, even hunting pace, flat work, manners, and way of going.
 - ii) Horses and ponies will first be required to negotiate two jumps, with a minimum of 48 feet between jumps. Jump distances may be set greater than 48 feet apart but must be in increments of 12 feet. Maximum jump height will be 2 feet. Martingales are not allowed.
 - iii) A minimum of the top 15 horses and ponies will be selected by the judge to be judged on the rail, to be ridden in accordance with Field Hunter rules. The judge will have the option to work horses and ponies both directions of the ring; however, only one direction will be required.

10) Non-Division Classes - Saddle Type

- a) These rules apply to *Hunseat: Saddle Type Go As You Please – Open*, and *Hunseat: Saddle Type English Pleasure – Open*, as well as *Western Pleasure: Saddle Type Go As You Please – Open*, and *Western Pleasure: Saddle Type – Open*.
- b) To be judged on movement, manners, and suitability as an English Pleasure mount. Transitions from one gait to another should be smooth and effortless. High, natural, free-moving action is desirable. Labored action due to excessive weight of shoes or length of foot is penalized. Special emphasis is placed on a true, flat walk.
- c) Unless otherwise denoted by "GAYP" horses will be required to walk, trot, and canter. Entries may be asked to extend the trot, halt and stand quietly on the rail, and/or back.
- d) Hoof bands and other such action devices are not permitted on the show grounds. Violators will be asked to leave the property.
